"A Song of Utter Faith" is the topic of the Sabbath School lesson for May 23. Lesson Scripture Psalm 46.
Memory Text: Psalm 1:6 "For the Lord knoweth the way of the righteous, but the way of the ungodly shall perish.
The aim of the lesson is to increase our faith in God's care by deepening our realization that God actually dwells with his believing child.
Though this Psalm seems to have been worded for the dreaded time of trouble soon to befall the world (See Dan 12:1) there are encouragements drawn from it that will benefit the believer today, tomorrow and everyday in his struggle against the vissicissitudes of sin and self. This Psalm seems to be primarily a Psalm of Consolation written no doubt, because the persons who serves God needs to reassure himself with the thought of God's might and of his protection and his ability to shatter all the combinations that evil men may form. Our lesson begins with one of the most striking and most cheering of all these words of hope noted in Psalm 46:1 first part "God is our refuge and strength".
There is no circumstance in which the Christian cannot find comfort and heldp in God. The Friend who "sticketh closer thou a brother" He would have us cultivate this friendship so that under all conditions our thoughts may turn to Him and thus He may impart to us guidance which we need. Verses 7 and 13 are the same "The Lord of hosts is with us; the God of Jacob is our refuge". Dear reader, is the Lord on thy side? Is Immanuel, God with us thy Redeemer?

Funds Given Fire Depts., RAD Committee

The balance of funds left over when costs were paid for the three Sabin Oral Vaccine clinics were disbursed Monday night in a special committee meeting of the Sabin Oral Vaccine Clinic Committee.
The committee decided to give $300 each to the Appomattox Volunteer Fire Company and the Pamplin Volunteer Fire Company for construction or equipment. The RAD Centennial Committee was given $526.
The Committee also announced that if the Board of Supervisors does not approve the construction of a Health Center by July 1, 1965, the funds allocted by the Sabin Committee for the Center ($399) will go to the Appomattox County Rescue Squad. Previous to Monday's meeting, the group had allocated $1,000 to the the Rescue Squad, plus the provisional gift to the proposed County Health Center.
The doctor should be called immediately when a stroke occurs so that he can determine the proper individualized treatment for each patient, Virginia Heart Association says.

Lina's Twirlers Plan Recognition Day Mon. 3:30 P. M.

Lina Trent's Baton Twirling Classes will have their last meeting May 25, from 3:30 to 5 p.m. in the gymnasium of the Appomattox Elementary School.
Recognition will be made of those who have done outstanding work and those who have had a perfect attendance record.
Parents, friends of "Lina's Twirlers" and those who are interested in joining a class next year are cordially invited as honor guests.

Fishermen Can "Call Fi

Now you can call the fish to your exact fishing spot with a new patented and tested electronic transistorized Fish Call.
Ichthyologists have known for some time that fish respond to sonic oscillations (sound) between 50 and 200 cycles, and to light waves. Both have been combined in this compact unit.
The sound waves, though only moderately audible to the human ear, travel some 200-300 yards through the water and attract the fish directly in From there on it is skill of the fisherm fish to bite. "The Fi Call does not give unfair advantage o more than a duck poor shot any advan
The dial allows five different vari waves. In addition selection, the unit ha of producing lig maximum attracte es of fish. Retail

FBLA Secretary Will Attend Summer Conference

Appomattox members of the Future Business Leaders of America have finished up most the year's work, including the election of new officers. These young people always wish their advisor, Mrs. Celia Beamer, center, competed in district competition with other FBLA members. Local delegates attended the state convention in Roanoke, and Carolyn Goad, pictured second from the right, will be the delegate to the annual FBLA Leadership Conference to be held in Massachusetts in July. Local FBLA president for the coming school year is Lewis McCormick, shown above left, plus Virginia Bryant, parliamentarian; Mrs. Beamer, Carolyn Goad, secretary, and Jimmy Garrett, vice president. A treasurer and reporter will be chosen from among next term's new members.

Battle Exhibit

A special exhibit on the Battle of Lynchburg has opened at the Lynchburg Historical Museum in the Old Court House, Lynchburg, Va.
The display will continue through the actual centennial of the encounter which took place in Lynchburg June 17 and 18, 1864. In the battle Confederate forces repulsed an attack by the Union Army under General David Hunter, preserving the valualbe transportation and supply center.
The museum is open each Saturday from 10 a.m. to 4 p.m. Group tours may be arranged at other times.

DEFINITELY DEFINITE
The employer was leaving the office. He was instructing his new secretary as to what to say if any one called in his absence. "I may be back this afternoon," he told her, "and then again I may not."
The secretary nodded. "Yes, sir," she said. "Is that definite?"

Biggest Swarm In Business

G. C. Maxwell, bee-keeper and honey producer of Pamplin, was checking his hives the other day when he came upon this swarm of bees shown above. The swarm, covering an area nearly seven feet high and five feet across is the largest in Maxwell's many years of bee keeping. He said that an ordinary swarm might weigh seven to twelve pounds. He estimated this one would weigh 75. He planned to scoop up the bees by the bucket full and distribute them to hives. Maxwell said that early farm weather had caused early swarming—that he had already captured at least 40 colonies and put them into hives scattered over the three counties in which his bees harvest honey.

Farm Tour Today To Inspect County Soil Conservation

A farm tour for Professional Agricultural Workers, ASC Committeemen and farmers, has been scheduled for today, May 21, 1964, beginning at 1 p.m.
The purpose of this tour is to inspect some of the soil conserving practices that have been performed on several farms in the county.
ASCS Office Manager J. N. Jennings has announced that the group will assemble in front of the ASCS Office at 1 p.m., and will visit the farms of Messrs. W. E. Bondurant, Hugh Braford, John L. Harrison, Alfred & Watts Moore, C. D. Lewis and David Evans.

DAR Chapter Hears Instructor

"You can't involve yourself in teaching history without recognizing the work of the UDC and DAR", said C. Bruce Chandler, Director of Instruction for Appomattox County.
Mr. Chandler, who came here for the present school term, having served as principal of Chase City Elementary School, spoke May 18 to the Appomattox Chapter, DAR, giving his audience a swift moving resume' of history in Europe, dating from the Dark Ages, through the discovery of the New World and the activities of Revolutionary leaders in this country.
He quoted a previous address by host Jerry Burke, saying that modern men "are now drawing heavily on their heritage" from the past. Chandler said that we have the choice of "spending" this heritage of courage and good works from the past or of "contributing" to our rich heritage.
Mr. Chandler said that the Revolution and establishment of the United States "was probably destined to happen, but we owe much to the men who led us."

4-H Honor Roll Member

Gilbert James, Jr., son of Farm Agent G. L. James and Mrs. James, has been included in an Honor Roll of 4-H Members of Appomattox County for 1964.
Gilbert, graduating this year third in his class, at Carver-Price, has enrolled for the fall course at Virginia State College in the School of Agriculture Business.
He is the winner of a scholarship to VSC, and in addition has received a Saving Bond award and named outstanding graduating 4-H Club member.
Gardening has been his 4-H project during his eight years as a club member. He has completed thirteen projects, including the raising of a purebred Duroc sow. In 1962 and 1963 he won the Reserve Championship with a "pen of three" Prize money totaled almost $100.
His most interesting experience was with an African delegate who visited his garden project and exclaimed over the discovery of the "Tiller tool"; stating that his country could use this machine to great advantage.
Gilbert has been a delegate to State Wildlife Camp and State 4-H Short Course four times. He has served as state 4-H Club president of Virginia State 4-H Course, and State delegate to Citizenship Short Course in Washington, D.C.
